AMENDMENT TO THE NOTICE OF MEETING

Shareholders are informed by a corrective notice published today that the French version of the Notice of meeting published at the BALO on May 17, 2024, Bulletin 60, under number 2401823, contained a material error. The correct date is "**Monday, June 24, 2024**" instead of "Monday, June 25, 2024" in the second part of the said Notice relating to 'Participation in the General Meeting' of the Company.
